

**JACOB ACUNA**  
**REDACTED | REDACTED | <https://www.linkedin.com/in/jacob-acuna1/>**

As a dedicated student pursuing cybersecurity and information systems, I have honed my analytical skills through experience with SQL data analysis, and experience in performing security audits, developing security protocols, and resolving security incidents through practical labs and activities. My superior communication and leadership abilities, coupled with my resilience and adaptability, make me a strong candidate for a Cyber Analyst role. I am committed to personal growth, threat identification, risk analysis, and developing effective cyber defense strategies.
