

JACOB ACUNA
REDACTED | [REDACTED](#) | <https://www.linkedin.com/in/jacob-acuna1/>

As a dedicated student pursuing cybersecurity and information systems, I have honed my analytical skills through experience with SQL data analysis, and experience in performing security audits, developing security protocols, and resolving security incidents through practical labs and activities. My superior communication and leadership abilities, coupled with my resilience and adaptability, make me a strong candidate for a Cyber Analyst role. I am committed to personal growth, threat identification, risk analysis, and developing effective cyber defense strategies.

University of Texas at San Antonio, San Antonio, TX
Bachelor of Business Administration, Cyber Security, Information Systems

2023-2025
3.93/4.0

Dean's List 2023

- CompTIA Student Chapter (Member)

An organization that consists of 300+ active members, alumni, and professionals that's main goal is to help transition students from college to entry-level positions by providing a community, hosting guest speakers, and competitions.

EXPERIENCE

Piada Italian Street Food
Supervisor

2021 - 2024

- In my role as a Supervisor at Piada, I led a dynamic team of up to 8 individuals, overseeing the daily operations of the restaurant. My primary focus was on delivering exceptional customer service and resolving challenges efficiently. With a keen eye for detail, I played a key role in fostering a positive work environment and motivating my team to consistently exceed customer expectations.
